DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

On February 24, 2009, applicants submitted an Information Disclosure Statement in a bona fide attempt to comply with 37 CFR 1.98, but with omissions in the citations (see 37 CFR 1.97(f)). These cited references have now been considered as indicated on the attached Form PTO-892 Notice of References cited.

Copies of these references are not being furnished because they have been previously submitted by applicants for inclusion in the file wrapper (see Information Disclosure Statement, February 24, 2009), and therefore applicants already have copies of each cited reference.

The status of the application has not changed, and this communication does not affect the period for paying the issue fee as set forth in the Notice of Allowance and Fees Due mailed March 19, 2009.

Attachment: Form PTO-892 Notice of References Cited.
